# How To Make Silver Charms From Metal Clay: 50 Exquisite Projects And Full Instructions For All Skill Levels

## Synopsis

Charm bracelets are more popular than ever. These customizable pieces of jewelry are a wonderful way for the wearer to express themselves and show their personality. But buying or making the intricate silver charms can be costly. Now it's possible to create beautiful one-of-a-kind silver charms without the extensive cost and no silver-smithing skills needed! In *How to Make Silver Charms from Metal Clay*, internationally renowned artist, author and polymer clay specialist Sue Heaser shows readers how to create intricate silver charms from keys and padlocks to fairies and animals using metal clay. Offers a well-rounded overview of this simple (yet seemingly magical) process that includes:

- Step-by-step instructions for 50 beautiful projects
- An overview of the necessary tools and materials
- Guidance for essential skills like molding, finishing and firing
- Design methods for beginners as well as more experienced sculptors
- Ideas for creating your own signature pieces

This inspirational book is sure to be a favorite among hobbyists and jewelry makers who are looking for new ways to expand their craft. Includes more than 400 full-color illustrations.

## Customer Reviews

Sue Heaser is an internationally renowned artist, author and teacher who has been working in polymer clays for more than 25 years. She has published over a dozen craft books and has taught metal clay and polymer clay workshops all over the world.

Great book! Loved it! Learned a lot and will refer to it often! Good reference and idea book

I wanted to make charms with metal clay and this has good clear instructions and photos to get me started.
