Historical Atlas Of Washington And Oregon

Synopsis

This gorgeous atlas, illustrated throughout with more than 500 colorful images and maps, provides a visually rich and textually engaging history of the states of Oregon and Washington. Derek Hayes brings his enthusiasm and expertise to a full range of topics, beginning with the first inhabitants and tracing the westward expansion, conflict between settlers and Native Americans, and the establishment of the Oregon Trail. We see in vivid images, old maps, and lively text the coming of the railroads and the rapid establishment of the coastal ports, northwest cities and roads, the fur and lumber industries, and the large farms. We also witness the twentieth-century development of the war industries, the establishment of the aviation industry, and the celebratory 1962 Seattle World's Fair. At once a valuable reference and an exhilarating adventure through history, the Historical Atlas of Washington and Oregon presents readers with a fascinating chronicle of how these proud states came into their own and how they each look toward the future.

Customer Reviews

• "You'll want to spend hours curled up on the couch with this engaging uber-coffee table book." • (Brenden Koch Walla Walla Union-Bulletin 2011-12-08) • "A must have for those interested in the history of these two states!" • (Ian Paulsen The Guardian 2011-11-13) • "To leaf through a Hayes atlas is a bit like a solitary ramble through a museum (the Victoria and Albert in London comes to mind) with no guard to check you as you rummage through the cupboards." • (Mary Ann Gwinn Seattle Times 2011-12-17) • "History buffs can learn fascinating facts about Washington and Oregon in this attractive atlas." • (Laura Livingston Alaska Airlines Mag

2011-10-01)â œA stunning collection.â • (Lee Juillerat Klamath Falls Herald & News
2011-12-01)â œOne can spend delightful hours exploring and learning from its maps. . . . If you live
in Washington or Oregon and are curious about your regional surroundings, this is a book to own.â •
(Cole Harris Oregon Historical Qtly 2012-12-01)â œHayesâ™s latest atlas maintains the quality of
his previous publications and is highly recommended for public and academic libraries, map
enthusiasts, and anyone with a special interest in the history and heritage of the Northwest.â •
(Edward K. Werner Library Journal 2011-09-15)â œInformative and beautiful. . . . Recommended for
all types of libraries.â • (Sue F. Phelps Reference Librarian, Washington State University Vancouver
Reference Reviews 2013-01-03)â œA fascinating visual history of places and how they evolved. . . .
And for historians in the family, this would make a great Christmas gift.â • (Karen Prasse Skagit
Valley Herald 2011-12-18)

Praise for Derek Hayesâ™s previous atlases:Historical Atlas of the American West:#147;Shows
knowledge expanding map by map; Native pueblos, early trails, railways, highways, parks and
cities.â •#151;ViaHistorical Atlas of the North American Railroad:#147;Sumptuously spilling over
with period maps, posters, and images as well as impeccable historical data. Steel-wheels-heads of
all gauges will find it enlightening and entertaining.â •#151;American HistoryHistorical Atlas of
California:#147;The Atlas is a record of ideas, of real places and enterprises, and of dreams, some
of which never got beyond the drawing board#133;. [I]llustrations of what earlier Californians made
of the promise of this place.â •#151;Sacramento BeeHistorical Atlas of the United States:"Derek
Hayes works his way from the discovery and settlement of North America to the ever-evolving maps
recording America's westward push and onward to the early maps of the automobile
age."#151;William Grimes, New York Times

I've admired the volume and quality of Derek's work for several years. For some reason, the artistic
quality of the choices and layout doesn't nearly match some of his better volumes (eg, Canada,
USA, California, West, Railroads). I think the area deserves better, and I sincerely hope that Derek
is not rushing things. Besides the quality, I feel that there is too much focus on two cities, Seattle
and Portland, and comparatively little about the nature of settlement elsewhere. But it's still a
respectable work, if not quite as enjoyable and useful as some of the others.Do you also assume
that there is a living, breathing Derek Hayes?

I bought this for a Christmas gift. It arrived quickly and packaged well as books always do. The

book is beautiful and well researched. I almost wanted to keep it! If you are interested in the history of the beautiful Pacific Northwest, you won't be disappointed.

This is a marvelously detailed book and worth the expense. I learned a lot of history I never knew about the Northwest.

I have just started this book, and I love it. He has chosen an eclectic assortment of maps and charts to tell his story. The maps are beautifully displayed.

Thanks God for people like Derek Hayes, who LOVE what they do (or collect) and for publishers willing to let them go to it. A wonderful, deep book for people who like maps and the historical insights included therewith.

Gorgeous. Made a great gift.

I gave this book as a birthday gift to a friend who is a history buff. The recipient of this gift really loved it. He loved the maps and the general information in the book. He recommended this book as a gift for another friend.

Simply the perfect book for a husband who is a history nut. He loved the book and was pleased with the gift.
