Customer Reviews

I am a bodybuilder who has always had trouble with cooking food for myself. Usually recipe books I find always consist of foods that are difficult to make and don't fit my macros. This book however was awesome and helped me with my strict paleo diet! The recipes were so easy and delicious that even I was able to cook them. I'll be hosting thanksgiving this year and I hope my family will enjoy these healthy recipes as much as I do!

This book offers a wide selection of dishes for anyone at the dinner table including those with special diets (like myself). My mouth was salivating at some of the dishes like the Cheese Dip Artichoke. The book lives up to its cover, with most dishes only needing 20-30 minutes to prepare. This is going to come in handy, as I am hosting Thanksgiving for the first time.

great

I am not a good cook at all but have already tried a few of these recipes and they are great! Will definitely be using these for a long time.

Lots of delicious options & easy to follow recipes!

Great cook book with even better recipes! Looking forward to trying all the various delicious sounding recipes throughout the year.

I don't live in the US and will be cooking Thanksgiving dinner for my American friends this year, so I'm pretty nervous! I've already made some of the recipes and I must say, I won't wait another year

to do it again! Also, I'm loving the desserts. It's great to know that the recipes are healthy, too. I am not vegetarian or following any diets, so that was not particularly relevant to me. Extra points: what I usually don't like about cookbooks is that they often skip instructions, assuming that you generally know what to do. This book here really explains every step, so that I don't have to start googling additional instructions on my phone. Overall: very handy so a big thank you to the authors!

Gifting this book for the Holidays!!!! A friend made us drinks from this book for Friendsgiving - I think it's called a Hot Toddy - and we absolutely loved it! I plan on gifting this book to a family member for the Holidays.
