Customer Reviews

Thanksgiving On a Dime With the holiday just around the corner I'm hoping to find just one or two more recipes to serve that others will enjoy. Like this book for many reasons: it tells you how to get things ready on a time table so you won't be inundated with having too many things to do the day the meal will be served. Even has a day to do table laundry! Lots of tips on how to avoid disasters and how to fix them in time. Love the section on transporting food to the family event and what to do with leftovers. No pictures and no nutritional information but you should be almost able to substitute for a healthier choice-if you want, on some recipes. Other works by the author are highlighted at the end. A KEEPER!

Oh my goodness- I LOVED this short yet packed-full book! I felt like I was sitting with a good friend and chatting about tried and true yummy recipes... including tips collected over years of experience! Whether you've been serving up Thanksgiving meals and memories for nearly 50 years as I have, or you're looking at that big bird for the first time in your life and quaking in your boots, you will be inspired, and even excited to have the how-tos so plainly laid out in this wonderful book! The recipes are sure to become favorites and you will apply the tips/tricks of the trade that the authors also share well past Thanksgiving! Thanksgiving recipes

I am always looking for new ways to save money and create leads hassle for my home. I found this book to help with both those aspects of my life. I'm recommending this to all of my friends!!

THIS WAS SUPPOSED TO BE A FREE BOOK. NEVER DELIVERED, NOW THEY WANT ME TO PAY FOR IT. DO NOT FALL FOR THE OFFER OF FREE BOOK SCAM. THEY WILL NOT GIVE IT TO YOU.

I have enjoyed Living on a dime website for a few years now. It is terrific advise for low-income families to learn to stretch their money. I've always had great results using many of the recipes and suggestions. Thanksgiving is my favorite time of year and this book can help you save time, money

energy and your sanity as well. I would recommend this book to anyone looking for an out of the box experience. Carmen Turner

If you've never prepared a Thanksgiving dinner before and you're scared to death about doing it, or even if you have but you're always too stressed to enjoy it, this book is definitely for you. There are tips on how to streamline the process, recipes for dishes for the meal itself and ideas for what to do with those seemingly never-ending leftovers. This is a short book but packs some good information in those few pages.

There are many good ideas on how to save money this Thanksgiving. I'm pleased to have read this book at this time, just when I need it! Obviously Jill is an experienced chef as well as a great planner. Suggestions like using leftover mashed potatoes to thicken soups and stews is just of the great ideas that are in this book. Although this book is billed as a Thanksgiving book, you can use a lot of the simple common sense ideas for cooking all year long.

Great book, lots of gold nuggets inside!
