# Your Ohio Wills, Trusts, & Estates Explained Simply: Important Information You Need To Know For Ohio Residents

## **Synopsis**

Few people want to think about what would happen to their families if they become disabled or die; however, planning for these occurrences in advance will reduce potential stress on your family later in life. The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. This book will take the guesswork out of planning your estate and help you finally understand the complex processes. *Your Ohio Wills, Trusts, & Estates Explained Simply* will help you glide through this complicated process. This book has been adapted to offer Ohio residents state-specific advice for estate planning. Author Linda C. Ashar, attorney at law, has crafted an estate-planning primer that allows Ohio residents to become more informed and more involved during the process. *Your Ohio Wills, Trusts, & Estates Explained Simply* will provide all the information you need to choose, set up, and execute a will, trust, or estate. You will learn the legal terminology, including beneficiary, probate, trustor, trustee, assets, guardianship, and executor. You will also learn about trust agreements, trust property, settlement costs, life insurance, durable powers of attorney, marital deductions, gift splitting, survivorship deeds, gift tax issues, generation skipping transfer tax, tax deferred accounts, and advance directives. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed. This Atlantic Publishing eBook was professionally written, edited, fact checked, proofed and designed. The print version of this book is 288 pages and you receive exactly the same content. Over the years our books have won dozens of book awards for content, cover design and interior design including the prestigious Benjamin Franklin award for excellence in publishing. We are proud of the high quality of our books and hope you will enjoy this eBook version.

## Customer Reviews

Linda C. Ashar is a lawyer, educator, horse breeder, freelance writer, and artist. She has practiced law for more than 25 years before the Ohio and Federal Bars. She is a senior shareholder in the firm of Wickens, Herzer, Panza, Cook, & Batista Co. in Avon, Ohio. In addition to her Juris Doctor in law, she holds a Master of Arts in special education and a Bachelor of Arts in English. She is a professional writer and has authored *101 Ways to Score Higher on Your LSAT: What You Need to Know About the Law School Admission Test Explained Simply*, *The Complete Power of Attorney Guide for Consumers and Small Businesses: Everything You Need to Know Explained Simply*, an estate planning book series with Atlantic Publishing Group, poetry, and several magazine and journal articles, including a collection on Suite101.com. She is an adjunct professor at DeVry University and Keller Graduate School and a frequent speaker at law seminars. Reach her at [ashar@hbr.net](mailto:ashar@hbr.net) or [lashar@wickenslaw.com](mailto:lashar@wickenslaw.com).

My aunt was recently diagnosed with two types of cancers. We have had several emergency family meetings with her grown children. So while my aunt is ill (the doctors have said terminally) but I'm not claiming that! Her children are trying to help her get her affairs in order. Overall, she's done a decent job of keeping up with some things, but there are still things she needs to do. I grabbed this book and almost read it in one sitting. This book cut right through the chase and was like a crash course for me with definitions and information. The book even recommended professional people to assist with estate planning. I really felt in reading this book the author aside from being an attorney, wrote this book with a caring heart. After reading this book, I am now going to give readers three pieces of advice. 1) If you don't have your affairs in order, get them in order immediately. 2) Don't wait until you get sick and are suffering to try to make plans (it is the most painful thing talking to my aunt while she is sick dozing off in between bouts of crying and dealing with side effects from chemo. 3) Get this book because it packs commonsensical advice and

definitions in one place. And it helps you know where to begin when considering getting your affairs in order.

I am so thankful I found this book. I know nothing about any of the information in the book, but knew we needed to do something to protect our children in the event something happens to us. The information in this book was invaluable. I've been through my parent's deaths, so I knew that they had taken care of things, but I wasn't sure how to go about it, or what estates and trusts really were. Even though the Author is an Attorney, they've done an outstanding job of explaining everything in terms that most anyone can understand, and I felt like the author truly does care about the folks reading the book. This book explains how to get your affairs in order, and where to go to do so, I can't recommend highly enough!

Good product. Easy to understand. Would recommend.
