Williams-Sonoma Collection: Thanksgiving

Synopsis

No other holiday captures the spirit of home cooking the way Thanksgiving does. From the perfect roast turkey with wild rice and chestnut stuffing to a rich, old-fashioned pumpkin pie, good food shared with family and friends is what makes this day so special. Williams-Sonoma Collection Thanksgiving offers easy-to-follow recipes you will want to include in your own holiday menu year after year. In these pages, you'll find inspiring first courses and a tempting variety of side dishes and desserts as well as some new ideas for the main course. This vividly photographed, full-color recipe collection will become an essential addition to your kitchen bookshelf. "Whether it's your first time preparing a Thanksgiving meal or your twentieth, I hope these recipes make your feast enjoyable."

Customer Reviews

Williams-Sonoma, purveyor of choice gourmet products and kitchenware, has also created a collection of succinct yet comprehensive cookbooks. Part of the series, Thanksgiving offers 40 recipes that reflect the company's signature good taste. From traditional and "new" holiday starters like Butternut Squash Soup and Mixed Greens with Bacon-Wrapped Figs to desserts including Creamy Pumpkin Pie and Ginger-Pear Torte, the book offers delicious options for a hearty, homemade feast. Main-course birds, dressings, breads, and other accompaniments are represented with the likes of classic roast turkey and Hickory-Smoked Roast Turkey with Horseradish-Apple Sauce; Cornbread Dressing with Oysters and Ham; and Cranberry Sauce with Cider and Vinegar, while a chapter entirely devoted to potatoes provides exemplary "mashed"

formulas as well as Candied Yams and a knockout Two-Potato Gratin with Cheese. Accompanied by color photos that show the dishes in all their glory, the recipes are completely doable, and will appeal to a wide range of cooks. Throughout, sidebars (like "Biscuit Savvy") offer useful information on techniques and ingredients; a glossary and basics section are also helpful. Though small in size, the book provides an inclusive store of superior recipes and instruction. --Arthur Boehm

Michael McLaughlin was the author or coauthor of more than 25 books during his long career, including *The Southwestern Grill*, *Great Books for Cooks*, the widely acclaimed *Silver Palate Cookbook*, and *Williams-Sonoma Essentials of Grilling*. He was also a regular contributor to such publications as *Bon Appétit* and *Food & Wine* and worked as a book-buying consultant, recipe developer, and product spokesman for a variety of clients. McLaughlin died in 2002.

Great recipes in this book, and best of all great pictures to go with it. I find it a lot more tempting to make recipes when pictures are included :)

Thanksgiving is around the corner and I'm loving this book

Apple Cider Cranberry Sauce. Homemade, from scratch; from real, fresh cranberries. A wonderful book, cover to cover, with a lot of useful tips, and nice recipes. The Cranberry Sauce is delicious, simple, impressive, and very addictive; be warned!

I purchased the book as a present - my daughter. The book is beautiful and arrived in gift perfect condition. It was the cook book she "always wanted." I am looking forward to tasting the dishes she will prepare from this book this coming Thanksgiving. (2013)

This is a beautiful book. One should write out the recipes and never take the book near a kitchen. It did not meet my needs. I bought it as a hostess gift for the cousin who hosts me, and as many as 12 others who are alone for Thanksgiving dinner. The recipes sound delicious but they are not for a large number of people who expect lots of basic good (like Grandma's feast) food. I would recommend this book to someone who wanted to really wow an intimate group of fellow gourmets. And to those who love to read cookbooks, like myself. On a practical note, for the size and price, it didn't have many recipes. There are ingredients not found in a small mountain town. This book would be a nice addition to a cookbook collection, make a nice hostess gift for a book lover, but is

not suited as a go-to cookbook. It's a one-menu book.

Love this book.

I found Williams Sonoma book an extremely helpful resource that is chock full of new and interesting recipes for Thanksgiving!

Looking forward to trying out some of these great recipes!
