## Customer Reviews

This little cookbook is a gem. Ms Gundersen works a salmon fishing boat in Alaska. The weather can be rough, the galley space compact and the cooking equipment limited. All this does not mean meals cannot be varied (even though there is only one entree, Salmon) and very delicious. The recipes in *The Little Alaskan Salmon Cookbook* are simple with quick easy preparation steps made with easily obtained common ingredients. The end result is easily restaurant quality! I have tried a number of the recipes and was very happy with dinners that did not require a Cordon Bleu trained chef to duplicate in my kitchen. The cookbook contains Salmon appetizers, soups and salads, sandwiches and burgers, main dishes and dessert (no Salmon in the deserts!). If you like Salmon and it is very good for you, you should get *The Little Alaskan Salmon Cookbook*. Thank you LaDonna for sharing your recipes with us!

We brought over 400 pounds of salmon filets back from the Waterfall Resort in AK this year and I use this every week sometimes up to 5 times a week!!Best little cookbook ever.

Perfect
